ABSTRACT

Viola primulifolia L. var. *occidentalis* A. Gray is changed to subspecific rank.

KEY WORDS: *Viola*, Violaceae

In keeping with the use of subspecies in the *Viola* treatment for the Jepson Manual Project, *V. primulifolia* var. *occidentalis* is changed to subspecific rank.

Viola primulifolia L. ssp. *occidentalis* (A. Gray) L.E. McKinney & R.J. Little, *comb. nov.* BASIONYM: *Viola primulifolia* L. var. *occidentalis* A. Gray, Bot. Gaz. (Crawfordsville) 11:255. 1886.
